<p>History</p> <p>Send home Holiday Diaries</p>	<p>History How are our toys different from those in the past?</p> <p>Toys This unit looks at similarities and differences between toys today and toys in the past. It introduces children to the concepts of 'old' and 'new', and encourages them to think about the changes in their own lives and in those of their family or adults around them.</p>	<p>History What are we remembering on Bonfire Night?</p> <p>Gunpowder Plot This unit links an important event beyond living memory in British history, the Gunpowder Plot, with a famous person, Guy Fawkes. Children develop their sense of chronology and consider why the Gunpowder Plot happened; its results; and the different ways it is celebrated today.</p>		<p>History Who was Captain Blackbeard?</p> <p>Blackbeard This unit looks at the life of Captain Blackbeard, why he is such a famous pirate and what he did. This unit could also focus on the lives of pirates and look specifically at other famous pirates e.g. Anne Bonny.</p>		
<p>Geography</p> <p>On going during the year Daily weather patterns all year</p>	<p>Geography Investigating the UK This is a unit, in which children develop geographical ideas and skills by studying the UK. They will look closely at where the UK is</p>		<p>Geography A Contrasting Locality Over Seas – St Lucia This unit introduces a distant locality through aspects of life that will be familiar to children such as housing, cooking and going to school. The unit is</p>		<p>Geography Around our School – The Local Area This unit focuses on aspects of local features, land use and environment. Compare and contrast animals that live wild locally to animals that live</p>	

Seasonal changes	on the world map, what countries are within the UK, and what seas surround the land. They will study maps and use these to help them find places where they have been.		based on a small area; this allows children to compare it more easily with their own local area.		wild elsewhere. How are the environments different.	
Art – Kapow Primary	Formal Shape, line and colour Portraits		Sculptures and Collages Living Things Or Seascapes		Landscapes using different media or 3D?	
DT		D.T. Homes This unit gives children opportunities to develop their understanding of structures. They gain a basic understanding about structures and how these can be made stronger and more stable.		D.T. Moving Pictures In this unit, children develop an understanding of simple mechanisms through designing and making moving pictures. Children develop their understanding of how movement can be created by investigating everyday products		D.T. Winding Up This unit introduces the children to the concept of winding mechanisms. The children explore how to make winding mechanisms using construction kits, then, after discussion, make their own toy using a winding

		Use the Houses of Parliament		and making simple levers and sliders from given examples.		mechanism out of reclaimed materials.
Music Kapow Primary	All about me	Superheroes	By the sea	Space	Animals	Fairy Tales
RE	Christianity		Islam		Thankfulness	
PSHE	Kapow Wellbeing My world 6 lessons Or whole school wellbeing day		Kapow Wellbeing My world 6 lessons Or whole school wellbeing day		Kapow Wellbeing My world 6 lessons Or whole school wellbeing day	
SRE	Relationships					
Enrichment	Super hero Day Healthy Living Day Belton Lanes got talent		Pirate Day		Woodside Wildlife park
