

Year 6 spelling Autumn Term 1

The column at the top shows the date on which you will be tested - they are all Fridays. You need to look up any unfamiliar vocabulary and be able to verbally put each word into a sentence correctly.

This term there are between 15 and 20 spellings a week.

We are looking at language used in maths to help develop our mathematical explanations and all the words the children will have come across before.

25 th Sept Mathematical language	2 nd Oct Mathematical language	9 th Oct Mathematical language	15 th Oct Mathematical language
