Pupil Mobile Phone Agreement

We recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. However, we also recognise that they can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore, only **Year 5 and 6 children** if they are walking to or from school without an adult are permitted to bring their mobile phone into school.

- All pupil mobile phones in school must have completed the Pupil Mobile Phone Agreement
- The phone must be handed in to the class teacher and must be switched off
- The phone is left at the owner's own risk and school is not responsible for loss or damage
- Phones should not be taken on school trips
