Dear parents/carers,

As I am sure you are aware, rehearsals for our production 'What's the Crime Mr Wolf' have begun and we are very excited to perform this for parents on 16th July 2024. More information on timings and tickets will follow.

The children's characters will require costumes, and we would greatly appreciate any support that can be given from home. We will not be charging for tickets, therefore we hope that you can support us by sending your child with a costume. We have attached a guideline provided by the performance company for the costumes of each character. Of course, this is just a guideline so if you feel as though you have something different that will work, please let us know!

The cast is made up of animal and human characters. Most of the animals in the show could be in an animal coloured top and leggings/trousers with 'signifiers' in the form of face paint, headdress, mask, tail, wings etc for the character that they are e.g. fox, bird, badger etc. If you or your child is unsure of which character they are, please get in touch.

If your child is one of the principle roles/ a more complicated role, further costume specification is listed below:
