9th March 2018

Dear Parents and Carers

As many of you will have seen the building work to the rear of the school building is moving along nicely and classes will soon be moving into the new areas created within the school

The next job is to build on the grass opposite the new classrooms. Here we will be having a standalone classroom. Unfortunately this will cause some disruption for a few weeks.

(This is the classroom being built to the rear of the school)

During this time, the entrance to the school will be by the Queensway entrance only. I have made this decision to ensure the safety of both parents and children on the school site. We understand that this change will have to be in effect from Monday 12th March to Friday 16th March.

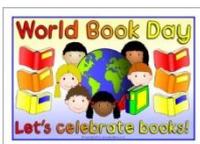

Can I also take the opportunity to congratulate you all for your resilience during the recent snowy weather. I am fortunate to have some of the most dedicated staff in the country who braved poor weather to be in school to teach your children. In addition to continuing the education for your children we also had great fun. Thank you to all of those parents who made such positive remarks about the school staying open when all around were closing.

J Mason
Head teacher

Over the past week, we have been using the Parenthub messaging service. Many of you have already accessed the site. If you have not already downloaded the App, then please can you download it as soon as possible. It is free and a very easy way for us to keep in touch, so you receive information directly to your phone or computer. If you are having trouble accessing the site, please follow the links below:

Email: support@parenthub.co.uk or telephone: 0161 2024141

World Book Day was a complete success and many children dressed as someone from their favourite book. Those of you who have registered on Parenthub will have already seen a photograph of the children in the hall. We had an entertaining and productive day. The children enjoyed sharing books with other classes across the school and took part in a range of activities in their classrooms.

Once again, please remember that from Monday 12th March, the Green Lane gate will be locked, and all access will be by the Queensway entrance. We apologise for any inconvenience.
