Now the sunnier weather has arrived, would you please send your child with a cap or hat to wear when playing outside and we would also encourage you to put 'day long' sun protection cream on your child before coming to school or send your child with creams that they can put on themselves. Staff cannot put creams onto children so please ensure that the children practice at home. All creams or sprays must be clearly named and the children must not share their personal cream with anyone else. School caps are available from the school office, £3.50 each.

All children should have a full PE kit in school. It should comprise of black shorts and white T shirt, plimsolls or trainers. These PE kits can be left in school, in the child's locker or peg, for regular use, and taken home periodically for washing. At this time of year we take every opportunity of going out onto the school field and take advantage of the good weather. We will also soon be practising for our annual sports day, this year it will take place on Wednesday 20th June, let's all keep our fingers crossed for the good weather to continue.

Once again some children have come to school wearing nail varnish, this should be removed before coming to school and if they come to school with nail varnish, it will be removed. Earrings should be studs only and should be removed for PE. Staff cannot remove your children's earrings so could you please remove them before coming to school or make sure that your child can remove them themselves. If you are planning to have your child's ears pierced, please wait until the summer break, when they have the six weeks for the ears to heal.

On Friday 18th May we will be having a special meal at lunchtime, it will be themed around Disney's Beauty and the Beast, to celebrate the wedding of Prince Harry to Meghan Markle.
